### HELOAIR ADDS BELL 427 TO THE FLEET

**June 1, 2007** - HeloAir, Inc. is pleased to announce the addition of a twin engine, Bell 427 to its expanding fleet.

With many years of experience operating twin engine Bell Helicopters (Bell 222 and the Bell 430), we felt uniquely qualified to add this ship to our fleet. The 427 in addition to our Jet Ranger, Long Ranger, and our 407 completes the vertical integration of our Bell Helicopter fleet.

The aircraft will be based at Dulles Jet Center at Dulles International Airport and is immediately available for charter.

Feel free to contact Sarabeth Fetter, our Director of Dispatch for rates and scheduling.
