RE: IS-BAO Press Release 2018

Richmond, VA - HeloAir, Inc. is pleased to announce that it has recently completed its Stage 2 IS-BAO certification. The certification was official on 16 July, 2018. IS-BAO, which stands for International Standard for Business Aircraft Operations, is recognized in the business aviation industry as the standard for Safety.

IS-BAO, developed by the International Business Aviation Council (IBAC) and its member associations, is a recommended code of best practices designed to help flight departments worldwide achieve high levels of safety and professionalism. IS-BAO is an industry standard built for operators, by operators that provides standards based on the ICAO Standards and Recommended Practices (SARPS). Both the FAA and CAA in Canada recognize IS-BAO as meeting the ICAO standard. HeloAir always strives to maintain the highest levels of safety and is proud to be an IS-BAO participant and contributor. The next step for HeloAir will be achieving Stage 3 status which will come in about a year and a half.
